## KNOW YOUR CALLING:

*Obvious Element. Obedience Everyday.*

We know we're made for more. We know there's a call of God on each of our lives. But what does that even mean and how do we go about answering that call? What does it look like to go big before we go home, for eternity?

*By His divine power, God has given us everything we need for living a godly life. We have received all of this by coming to know Him, the One who called us to Himself by means of His marvellous glory and excellence. - 2 Peter 1:3 (NLT)*

There are two elements to your calling you will need to come to terms with, to understand your calling and how to walk into it. These are your Obvious Element and Obedience Everyday.

1. **Obvious element** - This is where your passion and aptitude collide, where you are in your element. To help discover your element what is the thing that excites you: before you do it, while you doing it and after you've done it?

*Take delight in the Lord, and He will give you your heart's desires. - Psalm 37:4 (NLT)*

2. **Obedience everyday** - Each and every one of us is uniquely designed for a specific purpose but all through scripture we see how God used the day to day obedience to lead our heroes of the faith into their specific callings. To make sure we walk into the specific calling, we need to stay close enough to God to hear His voice leading and guiding us.

*Until the time came to fulfil his dreams, the Lord tested Joseph's character. Psalm 105:19 (NLT)*

What God is asking us to remember is that we were made for more, but that more is upside down to the way of the world. We were made for more humility, more grace, more compassion, more love, more service and as we embrace more of these values everyday we will step into the fullness of what God has in store for us specifically, allowing us to go big before we go home.
