Reflections

We would love this Rockstar series to be a time where we see in 3Ci an incredible growth in the love for and the ability to understand God's Word, as God strengthens our foundations.

To help facilitate this as we journey together through 1 & 2 Peter, encourage your life groups to use one of these methods or share your own method of the reading the Bible.

Allowing God to speak directly into the valleys and victories of our lives as we take our direction off these 8 stars of 1 & 2 Peter.
